Practical and Basic Animal Communication Workshop

Brenda Cunliffe will be teaching a class on the basics of animal communication and how to apply the lessons learned to everyday practical use with your animal friends. This class will feature meditations, discussions, and communications with the participant's own animals (through pictures), as well as helping each person to better identify their personal blockages with animal communication. Brenda will share her knowledge, thoughts and feelings about useful techniques and aids to achieve loving, fun and understandable communication with your animals on a daily basis. Please join her to see what your pets are trying to say to you!
